13th Annual Poker Run Saturday August 23-25th

Borden Light Marina will be hosting its 13th annual high-performance Poker Run, located along the eastern shore of Mount Hope in Fall River, MA. Last year we had an excellent turnout of 52 boats that took part in the festivities. The run is open to all vessels with speeds above 50MPH. Bring on the high performance Center Consoles and see if you can run with the best.

The course extends up the West Passage of Narragansett Bay around Jamestown Island and thru the bowels of the Atlantic Ocean. We will then enter Newport Harbor leaving Castle Hill on our starboard side.
